VENUE: ONLINE WEBINAR

PRESENTER: REBECCA LEWIS

National professional qualifications (NPQs) are a national, voluntary suite of qualifications, designed to support the professional development of teachers and leaders.

A reformed suite of NPQs is now available. The reformed NPQs have been developed in collaboration with the sector and are informed by the best available research and evidence. NPQs are designed to provide training and support for teachers and school leaders at all levels and deliver improved outcomes for young people.

This Webinar will give a taster of the National Professional Qualification for Leading Teaching (NPQLT) for teachers who have, or are aspiring to have, responsibilities for leading teaching in a subject, year group, key stage or phase.

Aim: To provide a taster of the latest National Professional Qualifications, to inspire practitioners who may be interested in enrolling.

Outcomes - by the end of this webinar you will:

- ▶ Understand the objectives of the NPQLT
- ▶ Have begun to consider aspects of Leading Teaching, eg School Culture, How Pupils Learn, Subject & Curriculum, Classroom Practice, and Adaptive Teaching
